DOMINION ORDERS IN COUNCIL.

[2231.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Monday, the 19th day of August, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

THE Acting Minister of the Interior submits, under date 26th July, 1912, that under the provisions of section 9 of the regulations for the survey, administration, disposal, and management of Dominion lands with the Forty-mile Belt in the Province of British Columbia, approved by Order in Council of the 27th September, 1889, the Governor in Council may order the survey of public highways through the said lands.

The Minister states that a request has been received from the Municipality of the District of Mission, for the extension of the Cedar Valley Road from the Dewdney Trunk Road to the Stave Lake Power Company's works at Stave Falls, in Townships 17 and 18, east of the Coast meridian, as described in a by-law passed by the municipality on the 2nd of December, 1911, and published in the British Columbia Gazette on the 14th of December, 1911.

The Minister further states that it is represented by the municipality that the establishment of the highway will be of great advantage to the community in connecting Mission City with Stave Falls and will render accessible lands held by the Dominion.

The Minister therefore recommends that authority be granted for the survey of the said highway.

The Committee advise that the requisite authority be granted accordingly.

RODOLPHE BOUDREAU,
se19 Clerk of the Privy Council.
